12th September 2022

Dear Sir/Madam,

We will be pausing all non-urgent communications on our Trust and academy websites and social media accounts during this national period of mourning following the death of Queen Elizabeth II. As we reflect on the incredible life and service of Her Majesty the Queen we are reminded of our ASPIRE code and how The Queen truly exemplified all of these values throughout her life.

Kind regards,

Mr Andrew Reay
Chief Operations & Strategic Officer
