16th June 2022

Dear Parents

At King's Leadership Academy Liverpool, we understand how the transition from primary to secondary education can be an exciting but worrying time for both parents and pupils. It is important to us that your child feels at home at King's Liverpool and understands that they are going to be part of our King's family in September. Your child is joining us at a really exciting time and their wellbeing, as well as academic development, is really important to us.

With the support of your child's primary school, we would like to offer your child additional transitional time before the end of the summer term. This experience will help the children get to know the staff and the building, give pupils the opportunity to experience break time, meet year 6 pupils from other schools and voice any questions or concerns they may have. Our aim is to ensure that we identify and address any issues on the day, meaning that starting in September will be a comfortable experience for them. A break time snack will be provided, and your child will return to their primary school in time for lunch as usual.

The proposed dates for extended transition are June 24th and July 1st, running from 9:00 until 12:00. The pupils will be collected in the school minibus from their primary school and dropped back off afterwards.

Please do not hesitate to contact me at j.weaver@kingsliverpool.com or contact the school directly with any questions.

Yours sincerely

Mrs J Weaver
Head of Department of Nurture
Assistant Head of Science
Head of Whole School Literacy
