Dear Parent /Carer,

As a precaution to help us stay safe during this time, we have considered alternative ways you can purchase your child's school uniform whilst using less contact. In addition to cash payments, we will be introducing an online facility through our website which will allow you to order and pay for your child's uniform. We will package and prepare your uniform items ready for your collection. Please see the link below.

For further safety, there is a measuring guide and tape enclosed for your personal use. This will help you to buy the correct size for your child. Please follow the guide to help you.

Thank you for your continued support

Your sincerely,

M O'Hagan
Principal
